On the trail of the lonesome Pine Marten

Thursday 9th August, 11am-1.30pm
Dog Falls Car Park, Glen Affric

Come for a wander around the trails in
Glen Affric to hear how pine marten and
other wildlife of the pinewoods live.

Look for signs that he's about and see
why Glen Affric is such a great home.

PS: It's unlikely that we'll see a pine marten!

Bring waterproofs, strong footwear
and midge repellent.
